Circular dated 17th December 1948.

To

All Heads of Departments and Heads of Offices.

G. O. No. Fl. 2922-3—GF 66-48-4, dated 30th September 1948 relating to the Rules regarding the safe custody to Cash.

No. 505—B2. Government having approved the amplification of the rules relating to the safe custody of cash in Government Offices, contained in Article, 9 A of M. C. A. C. Vol. I, the following Rules issued as an Annexure to the G. O. quotedabove are published for general information and guidance.

V. T. SREENIVASAN,
Comptroller.

ANNEXURE.

RULES REGARDING THE SAFE CUSTODY OF CASH.

Public money in the custody of Government Departments shall be kept in strong treasure chests and secured by two locks of different patterns. All the keys of one lock should be in the custody of the Gazetted Officer, who is in charge of Cash. All the keys of the other lock should be in the possession of the Cashier. This disposition of the keys is for the definite purpose of ensuring that the chest should never be opened or closed, without both the custodians being present.

When there are no double locking arrangements for the cash chests, the cash should invariably be lodged in the inside drawers, the keys of which should be with the Gazetted Officer in charge of Cash, only the outer keys of the Chest being with the Cashier.

2. When the Officer in charge of cash is on tour or on leave he should hand over the keys of the Cash Chest together with the contents to any other responsible Officer who remains in charge of his routine duties.

The following rules are prescribed for the custody of duplicate keys of cash chests and should be strictly followed.

(a) In the case of subordinate offices, one set of duplicate keys should be deposited with the superior office, the other set being retained for use in the office.

(b) The duplicate keys of the subordinate offices should not be sent by post, but delivered personally to the superior officer when the subordinate officer goes to see him in a cover sealed before that officer.

Re:—Check of the fine statements of Courts in the Audit Office (Articles. 41 and 42 of M.C.A.C. Vol. I.)

Circular No. 506—Bii.—According to the existing provision in Art, 1 (a) M.C.A.C. Vol. I. the duty of checking the receipts in respect of fines realised is laid upon the Comptroller. But in actual practice, it has been found that no useful check can be exercised in the verification of the fine statements received in this office, since there is no means of locating cases of fines realised by the several courts but not remitted to the Treasury, and the actual scrutiny that can be exercised in General Audit is limited to the detection of misclassifications only.

In view of the above considerations, Government have in their Order No. Fl. 3719, dated 22nd October 1948 approved a modified procedure according to which the duty of realising fines and of checking the receipts may rest with the Departments Government Officers concerned. Necessary amendments have been separately issued to the M.C.A.C. Vol. I., under revisison. With the issue of this Circular, it is no longer necessary for the District Treasury Officers to send the fine statements to the undersigned as this Circular will come into force immediately.
